

ACTIVE INGREDIENTS: Glycine Soja Oil, Beeswax, Sunflower Oil, Cocoaseed Butter, Shea Butter, Aloe Leaf Juice, Tocopherol Acetate, Natural Flavors

Product Summary

This vanilla latte lip balm is a little tube of lip-loving goodness. Packed with a powerhouse of natural ingredients, it's not just a treat for your senses but also a hydrating hero for your lips. The combination of soybean oil, sunflower oil, cocoa seed butter, and shea butter works in harmony to provide deep nourishment, keeping your lips soft and supple. Beeswax creates a protective barrier, sealing in that moisture and shielding your lips from the elements. Aloe leaf juice adds a soothing touch, while tocopherol acetate, a form of vitamin E, contributes its antioxidant prowess. All these elements come together, complemented by the sweet aroma of natural vanilla latte flavors, ensuring your lips stay luscious, moisturized, and ready to face whatever the day brings. It's like a little sip of coffee-shop comfort for your lips!

Ingredient Highlights

Glycine Soja Oil (Soybean Oil): Rich in fatty acids, soybean oil provides excellent hydration and helps to restore the skin's natural lipid barrier. It's known for its moisturizing properties.

Beeswax: Creates a protective barrier on the lips, sealing in moisture and preventing dehydration. It also adds a smooth texture to the lip balm.

Sunflower Oil: Packed with vitamins and antioxidants, sunflower oil helps nourish and regenerate the skin. It's lightweight and easily absorbed, providing hydration without a heavy feel.

Cocoaseed Butter: Derived from cocoa beans, this butter is deeply moisturizing and helps improve skin elasticity. It's particularly beneficial for dry and chapped lips.

Shea Butter: Renowned for its emollient properties, shea butter is intensely moisturizing. It contains vitamins A and E, which contribute to skin repair and protection.

Aloe Leaf Juice: Soothes and hydrates the skin, making it a great ingredient for calming any irritation or inflammation on the lips.

Tocopherol Acetate (Vitamin E): An antioxidant that helps protect the lips from free radicals and environmental damage. It also contributes to skin conditioning and promotes overall lip health.
