

**INGREDIENTS:** This plant-based Honey & Almond scented foaming hand soap is free from parabens and sulfates.

## Use as needed

### Product Summary

#### Foaming Handsoap

This plant-based Honey & Almond scented foaming hand soap is free from parabens and sulfates.

## Highlights

Foaming hand soap is a type of liquid soap that is mixed with air to create a foamy lather when dispensed. It is often used in public restrooms as it is believed to be more hygienic than bar soap. The foaming action helps to spread the soap evenly across the hands, making it easier to clean them thoroughly.

Our special bottle creates the foam each time you pump the soap into your hand.

### Responsible Cautions

- ▶▶ Keep out of reach of children and pets.  
If you are pregnant, nursing, or under a
- ▶▶ doctor's care, consult your healthcare provider prior to use.
