Product Summary

Red raspberry seed oil is a natural plant-based oil that has numerous benefits for the skin. It is rich in antioxidants, essential fatty acids, and vitamins, which makes it an excellent choice for nourishing and protecting the skin. Some of the benefits of red raspberry seed oil include moisturizing the skin, reducing inflammation, protecting against UV damage, and promoting healthy collagen production. It is also non-comedogenic, meaning it won't clog pores and is suitable for all skin types. Additionally, red raspberry seed oil has a natural SPF of around 30, making it a great natural alternative to chemical sunscreens.
