

ACTIVE INGREDIENTS: Water, Aloe Vera, Argan Oil, Coconut Oil, Avacado Oil, Sodium Chloride, Germaben, Natural Fragrance

Product Summary

Natural Body Wash/ Shampoo

Our natural shampoos are formulated to be gentle and nourishing. They are free from sulfates, parabens, and artificial fragrances, and may be better for those with sensitive skin or allergies. Our shampoos can help to cleanse the hair, scalp and body without stripping away natural oils or causing damage, and will leave hair feeling softer, smoother, and more manageable.

Ingredient Highlights

Aloe Vera:

When aloe is applied externally, it accelerates the regeneration of the damaged skin. Aloe contains antioxidants, which may increase the shelf-life and nutritional value of food; therefore, it is widely used in cosmetic, pharmaceutical and food industry.

Argan Oil:

Argan oil is rich in antioxidants, fatty acids, and vitamins that help to moisturize and nourish hair. It can also help to reduce frizz, add shine, and improve overall hair health. Additionally, argan oil has been shown to have anti-inflammatory properties that may help to soothe an itchy or irritated scalp.

Coconut Oil:

Coconut oil is believed to have several benefits for hair. It can help to moisturize and nourish hair, reduce breakage, and promote healthy growth. The fatty acids in coconut oil can also have a conditioning effect, leaving hair feeling soft and smooth. Additionally, coconut oil has antimicrobial properties that can help to fight dandruff and other scalp conditions. Overall, coconut oil is a versatile and natural ingredient that can be beneficial for many different hair types.
