

Ingredients:

This 14-day detox tea is made from organic lotus leaf, cassia seed, moringa seed, mulberry leaf, and green tea. It's vegan, Non-GMO, gluten free, and free from chemicals and preservatives.

Recommended Serving: coming soon

Product Summary

Natural detox slim tea is believed to help rid the body of toxins. This tea contains a blend of herbs which are known for their detoxifying properties. Drinking natural detox slim tea is thought to help support the body's natural detoxification process and improve overall health and wellness. However, it is important to note that while natural detox slim tea may offer some health benefits, it should not be used as a substitute for a healthy diet and lifestyle.

Ingredient Highlights

Lotus Leaf:

Lotus leaf has several benefits for health. It is known to have anti-inflammatory properties and can aid in digestion. It may also help regulate blood sugar levels and promote healthy liver function. Additionally, the lotus leaf contains antioxidants that can help protect the body against free radicals and oxidative stress. Some studies have even suggested that the lotus leaf may have potential as a natural weight loss aid.

Responsible Cautions

- ▶▶ Keep out of reach of children and pets.
- ▶▶ If you are pregnant, nursing, or under a doctor's care, consult your healthcare provider prior to use.

Cassia Seed:

Cassia seed is an herb derived from the seeds of the cassia plant. It has been used in traditional Chinese medicine for centuries to treat a variety of health conditions, including constipation, hypertension, and inflammation. Cassia seed is rich in antioxidants and has a mild laxative effect.
