

Diagnostics. It's your option and right to pay \$0 out-of-pocket or a big surprise hospital bill for blood work.

And Quest Diagnostics will send your blood work results to your doctor to discuss with you and make your results available to you online under your MyQuest™ account. It's that easy to get and share lab results.

6. Does QuestSelect™ replace current healthcare benefits?

ANSWER: No. This is a member driven program. However, if you choose not to use QuestSelect™, your usual deductible and coinsurance costs will apply, and you will lose out on the \$0 co-pay, \$0 out-of-pocket feature of this program.

7. What tests are not covered under QuestSelect?

ANSWER: QuestSelect™ does not cover:

- Lab work ordered during hospitalization.
  - Lab work that is needed on an emergency (STAT) basis and time-sensitive, esoteric outpatient laboratory testing such as fertility testing, bone marrow studies and spinal fluid tests.
  - Non-laboratory work such as mammography, x-ray, imaging, and dental work.
  - Lab work performed without the use of your QuestSelect™ benefit.
  - Testing that is not approved and/or covered by your current health benefit plan, if you have one.
8. How can I find the nearest Quest Diagnostics lab near me?

ANSWER: Go to <https://www.arkgroup.com/> and select the second option under "Products" entitled "QuestSelect Map" and enter your zip code. You can also go to <https://www.questdiagnostics.com/locations/search.html/34112/10/4>

9. How many Quest Diagnostic labs are there?

ANSWER: There are over 2,000 lab locations across the US.
